

THE ASHFIELD INHERITANCE

Budget & location notes

Location rundown for the Ashfield sequence. The estate office wants no more than six crew on the grounds at any time, no more than four filming days across the whole shoot, and ideally no more than three hero locations. Costs below are what each location actually runs us per day.

Ashfield Manor

2,400 for a full day, plus a 700 move-in fee. Holds about 20 comfortably, and we need the standard filming permit from the estate.

The Stables

1,900 a day with a 400 move-in charge. We're budgeting two total shoot days out there. Capacity is around 12, and a permit is required.

Tenant Cottage

900 a day, 200 to move in. Very tight - six people at most - and no permit needed since it's on estate land.

Gamekeeper's Cottage

1,100 a day, 250 to move in. Holds eight, permit not required.

St. Aldate's Churchyard

1,500 a day plus a 600 move-in fee. Holds up to 30, and the parish requires a permit in writing.
