

THE TIP

Budget & location notes

Location rundown for The Tip sequence. Producer wants a hard line at eight crew on set, no more than five filming days across the whole shoot, and ideally no more than three hero locations if we can help it. Numbers below are what each location actually costs us per day; the board isn't built yet so treat them as single days for now.

Finance still owes us the top-line figure for the sequence and I don't want to guess at it in writing, so there's no total in here yet. Chase them before this goes anywhere.

Port Authority Office

\$2,200 for the day and a \$400 move-in. Small, tops out at about 12 people, and we need the standard permit for it.

Shipping Office

\$2,600 for a full day, plus a \$500 move-in fee. Seats about 15 comfortably, and yes, a permit's required.

Harbor Warehouse

\$4,100 a day, with a \$900 move-in charge. Capacity's around 25, and a permit's required.

Harbor Fish Market

\$3,400 a day, plus an \$800 move-in fee. Can hold up to 20, and it's a working market so a permit's required there too.
