

THE TIP

Budget & location notes

Location rundown for The Tip sequence. Producer wants a hard line at eight crew on set, no more than five filming days across the whole shoot, and ideally no more than three hero locations if we can help it. Numbers below are what each location actually costs.

Shipping Office

\$2,600 for a full day, plus a \$500 move-in fee. Seats about 15 comfortably, and yes, we need the standard permit for it.

Harbor Warehouse

\$4,100 a day, with a \$900 move-in charge. We're budgeting two total shoot days there. Capacity's around 25, and a permit's required.

Harbor Fish Market

\$3,400 a day, plus an \$800 move-in fee. Can hold up to 20, and it's a working market so a permit's required there too.

Precinct House

Our cheapest location by far - \$1,800 a day, \$300 move-in. Tops out around 18 people, and a permit's required to film there.
